- 4. Lotus Al Khareef Trading & Contracting LLC**

Al Nahdha widely covers the territory of the Sultanate through strategically located offices in Muscat, Sohar, Barka and Salalah. Further dedication to our commitment and growth will be carried out with up-coming office in Duqum.

In UAE, more precisely in Dubai and Fujairah, then in Italy and India our professional team members contribute to guarantee hassle free services for the convenience of our esteemed clientele.

Our TUV certified business partner, IBC has its disposal a technical and professional structure with proven abilities and experiences.

## Mission Statement

The mission of Al Nahdha is to be a leading provider of services and facilities to our valued clients. Our mission is driven by our commitment to fulfill the needs of our clients and to constantly improve our services for their benefit, and those of our stakeholders, staff & workers.

### **From yesterday for today beyond tomorrow.....**

We believe in continued growth, and we endeavor to succeed. Through time Al Nahdha has matured and witnessed its own growth not only by reaching targets but as well by positively over-taking un-planned commitments.

Developing and maintaining relationship with each team member involved in the construction of a project has turned out to be the key to success of our activities as local consultants, sub contractors and internationally established companies started considering it as a main priority.

It is through the flexibility of our own operations and team members that we are able to guarantee project completion in time-frames by others not possibly even considerable.
